Career Objective

A motivated and adaptable individual with foundational knowledge of programming languages and development tools, seeking entry-level opportunities in full-stack, front-end, or back-end development. Aspiring to contribute to a reputable organization, leveraging my skills to drive company growth while continuously developing my technical expertise and resilience in overcoming challenges.

Education Qualification

MCA (7.35 CGPA) – PES College of Engineering - **2022-2024**
PUC – Abhivana Bharathi Composite Pu College   - **2016-2018**
SSLC - 22ND CENTURY HIGH SCHOOL - **2015-2016**

Technical Skills

- Proficient in **Core Java**

- **Web Designing** with HTML, CSS and JavaScript

- Good knowledge of **Bootstrap** and **PostgreSQL.**

Projects

- **HANDS-FREE EXPLORER: TRAVELING WITHOUT BAGGAGE**

Developed **Travel Hands-Free**, an app that connects travelers with local businesses offering secure short-term luggage storage. The app helps travelers explore cities without the burden of baggage while enabling businesses to monetize unused space and drive foot traffic, supporting local economies.

- **TRAFFIC VIOLATION DETECTION**

Designed a system for automated traffic rule enforcement, utilizing technologies like cameras, sensors, and AI-based algorithms to detect and address violations. The project analyzed traditional vs. modern techniques, tackled real-world challenges like weather and obstructions, and explored privacy concerns related to surveillance systems.

Curricular Activities

- I completed **Full Stack Java course at Destination Technologies**, where i gained extensive knowledge and skills in **HTML, CSS, JavaScript, Java, and PostgreSQL**. The comprehensive six-month training program covered both front-end and back-end development, enabling me to design and implement dynamic web applications efficiently. This experience has provided me with a strong foundation in web development, preparing me to tackle complex software development challenges.

- Actively participated in **Amazon Web Service One-day Workshop**, During the Year 2023-2024.

- Completed **HTML and CSS** classes at Error Makes Clever.

Achievements

- An NCC Cadet with A, B, and C Certificates.
- Actively participated in college events and extracurricular activities.
- Contributed to group projects, enhancing teamwork and communication skills.
- Volunteered for college initiatives and engaged in sports and cultural activities.

Declaration

I hereby declare that all the information provided above is true and correct to the best of my knowledge and belief. I am responsible for the authenticity of the details mentioned in this resume.
